I am requesting that this Petition For Rehearing be viewed "EN BANC " if at all possible, to allow all of the U S Supreme Court Justices to be adequately informed of the *Federal Laws and Constitutional Rights* violations and Laws that mandate Federal Jurisdiction.

I am requesting either affirmative action by the U S Supreme Court in my favor or a trial by jury in a Federal Court is requested and further, that corrections of Cited Federal Laws that Mandate Federal Jurisdiction which has been previously denied in gross error be cleared.

Further, that this letter addressed to you and the Clerk's Office also be submitted with each booklet to the U S Supreme Court Justices.

Thank you for your assistance in regards these matters.

Sincerely,
